REVERIE
1968
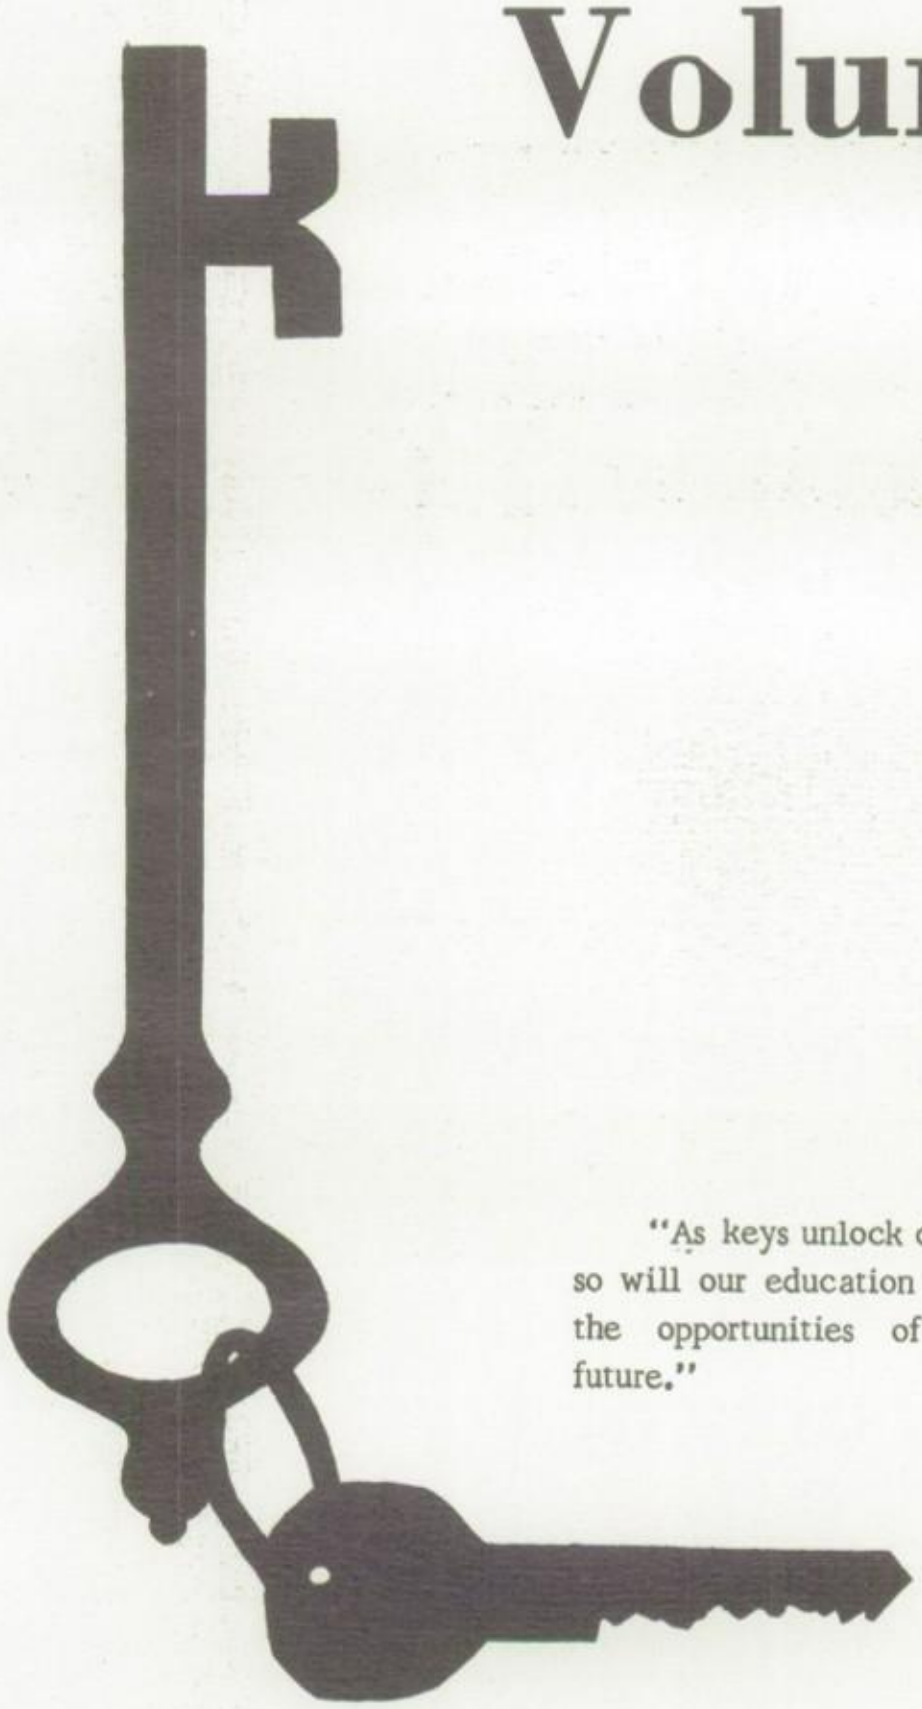
Volume XI



"As keys unlock doors, so will our education open the opportunities of the future."

Northwestern Lehigh High School
Rt. #2
New Tripoli
Pennsylvania

Foreword

Education is a key, which, along with ambition and perseverance, can unlock the doors of future opportunities. We, the class of 1968, have endeavored to apply this idea to our lives throughout our school days.

In this eleventh edition of "Reverie" we feature the creation of a special Music section, and for the first time advertisements are included. Also, for the first time at N.H.S. we will have a June publication.

Using these additions and the theme of keys, we wish to open the doors of N.H.S. to the community and present an account of the events and activities of the 1967-68 school term.

There are few Northwestern students
Who have not been taught by this man –
Few who have not felt
His kindness and understanding.

Here he has taught for nine
Of his twenty-three teaching years.
He has taught English, Latin, reading,
Spelling and problems of democracy.

A man who was willing
To give up his free time,
To fill in where needed,
Willing to go the extra mile.

A man of patience, unselfishness,
And generosity –
Ready to listen and willing to serve.

To him we dedicate this book
In an attempt to express the gratitude
Of the class of "1968".

Mr. Koch, Advisor; Larry Bachman, President; Rebecca Kindred, Treasurer; Anna Wisser, Secretary; Mrs. Miles, Advisor; Sterling Hamm, Vice-President.

Seniors! That's us and we're proud of it. Many memories to look back on and much to hope for for the future.

It's been a wonderful year at N.H.S. We carried on the tradition of a bonfire, pep rally and dance before a football game. Another tradition was started with the selection of a Football Queen from our class. Our Halloween dance was a success with "The Backwater Blues Klan." It was the first psychedelic Halloween in Northwestern's history.

Mrs. Kerschner was kept busy with our applications, transcripts, college boards, and acceptances.

Fruitcake sales turned over a sizeable profit, and some beautiful, feathery Christmas wreaths were made and sold. The yearbook was a subject of much controversy. Our donkey basketball game, a comeback for that hilarious sport? Class Day was planned in business law class and jolted the school out of late spring doldrums.

Then came the important day - graduation - and an end to our travels with Northwestern. Now, on to bigger and even better years.

The highlight of the evening was the crowning ceremony of the new queen, Miss Gloria Zimmerman by Miss Pat Snyder, the queen of 1966.

UNDERCLASSMEN

Juniors

Gayle Emmick, Treasurer; Gene Trexler, President; Mr. Kemmerer, Advisor; Ann Balliet, Vice-President; Mr. Dilliard, Advisor; Gail Sander, Secretary.

Enthusiastic, vibrant, and improbable, the Junior Class has added spark to this year. They can't wait to be seniors and some are already practicing for next year.

They've done quite a bit this year. Their dances have undoubtedly added to their treasury and their Zip Code book sales were very successful. The Prom, sponsored by them this spring, was a real treat for everyone.

Good Luck from the Class of '68 to the Class of '69.

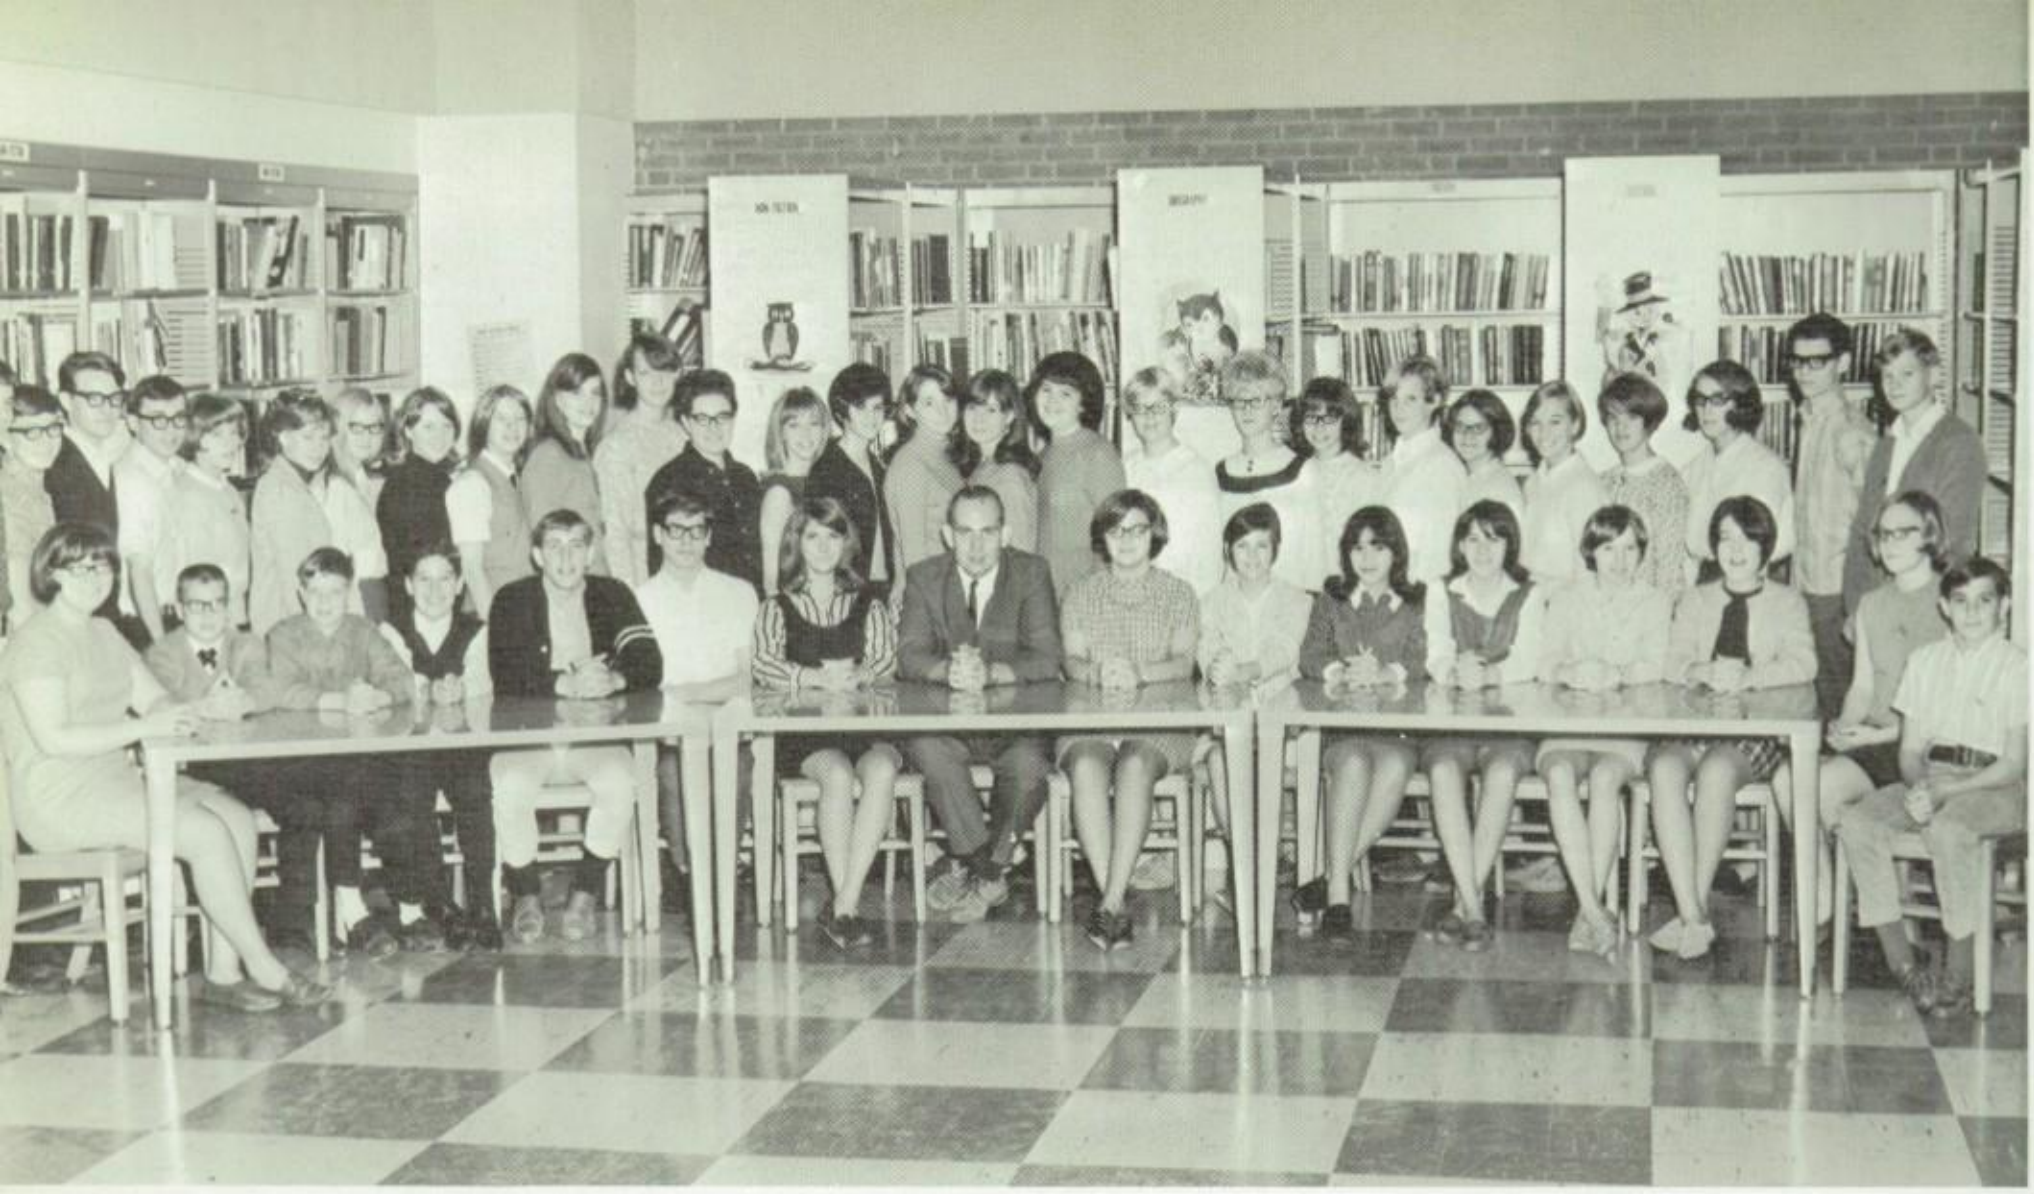
ORGANIZATIONS



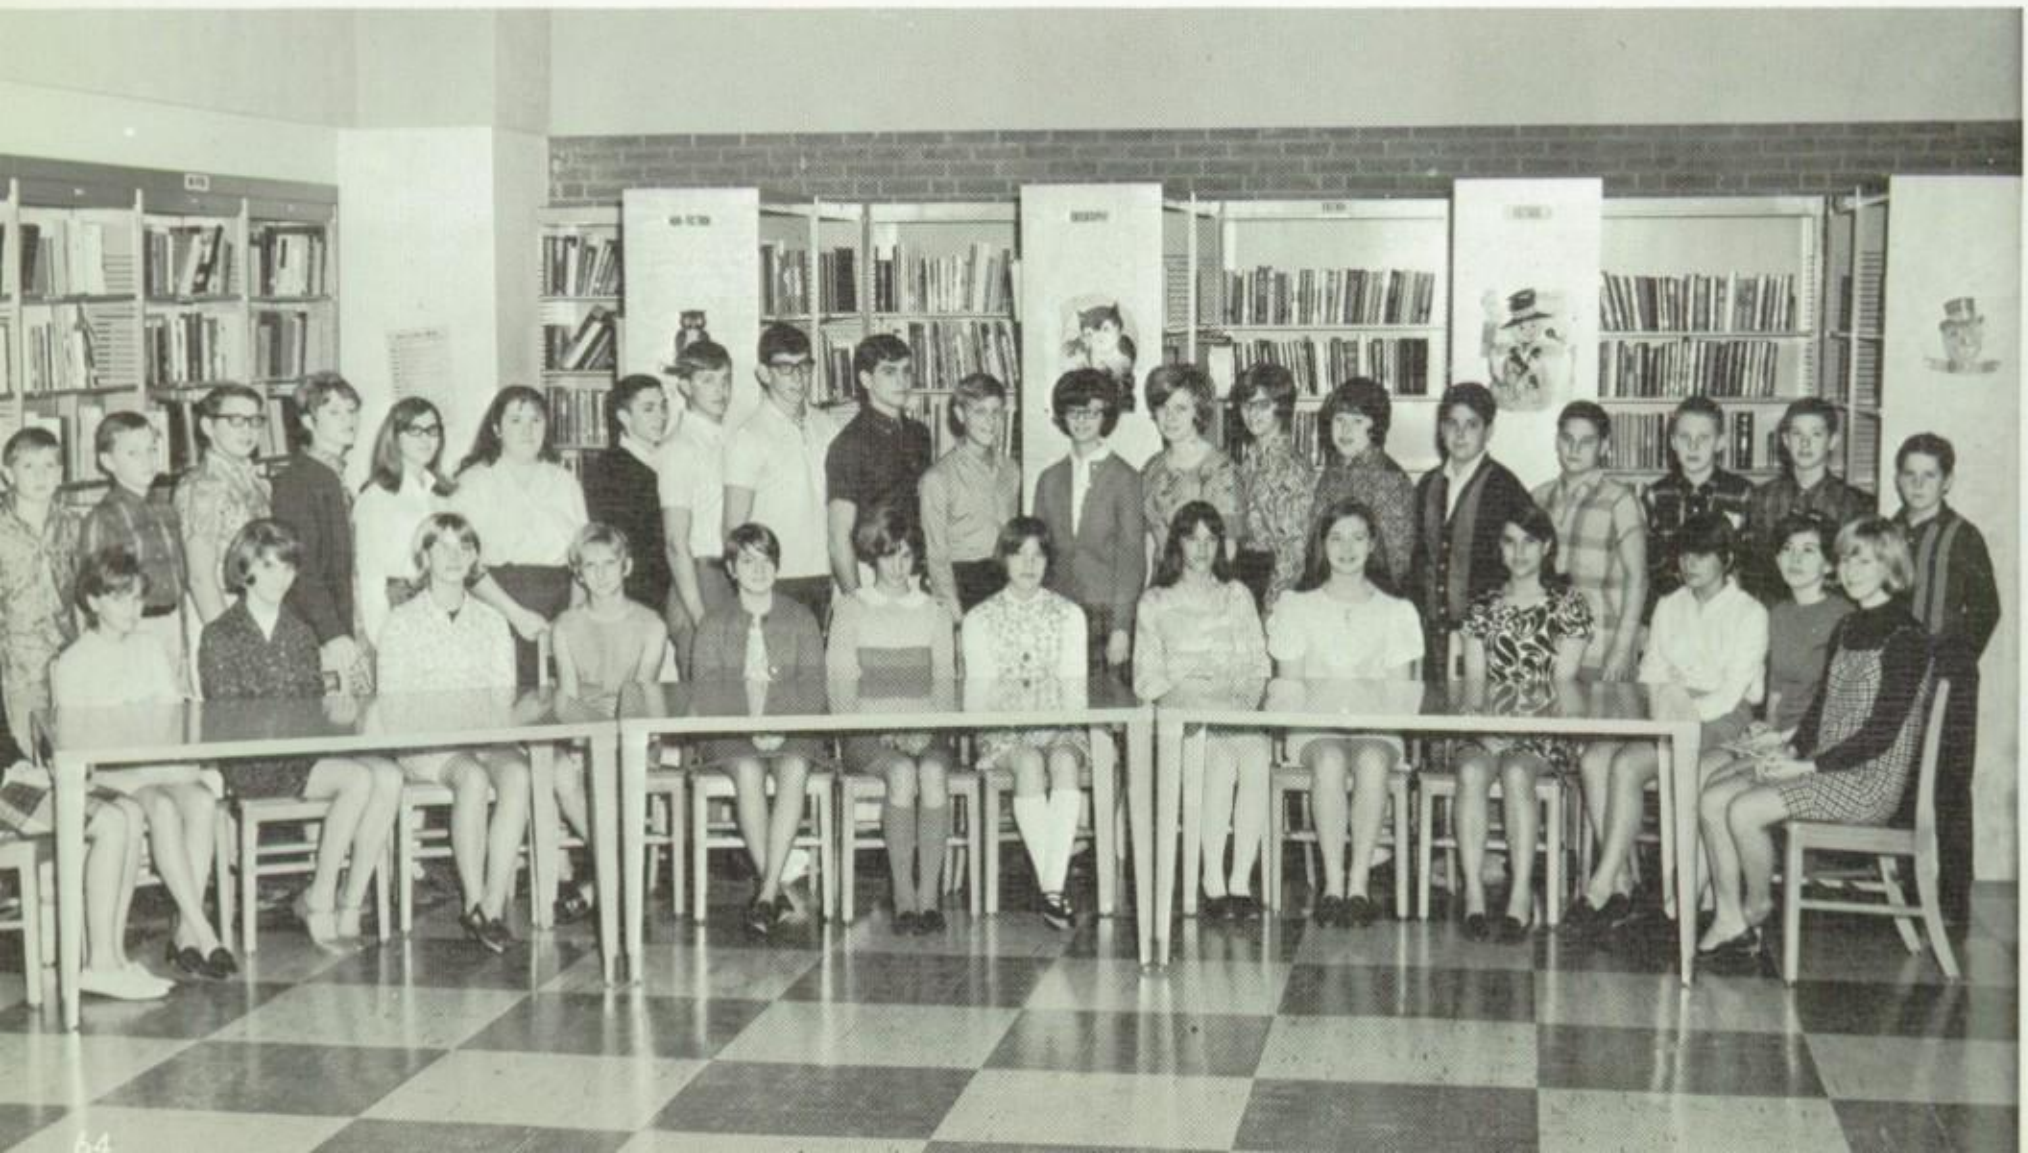
Delegates

Student Council

Few organizations have done as much for N. H. S. as Student Council. Larger and reorganized, Council has contributed a large sum to the cost of a new scoreboard, re-opened the school store, sponsored the Harlem Satellite game, and opened the door to better understandings in the Student-Faculty meetings.

This could not have been done without the guidance of Mr. Loy, and the leadership of the President, Gloria Zimmerman, Vice-President, Rick Seyler, Secretary, Andrea Creitz, and Treasurer, George Polak.

Alternates



National Honor Society

There is no equivalent for the pride and the honor that is felt when a student is inducted into the National Honor Society. Every year a percentage of the Junior and Senior classes is chosen for their academic achievements, personal character, leadership qualities, and service to the school and community.

The officers of this year's National Honor Society are: Sherwood Zettlemoyer, President; Larry Bachman, Vice-president; Paulette Witmer, Secretary; and Marlene Knerr, Treasurer.

The speaker at this year's induction ceremony was Rev. Richard Schaefer of Calvary Lutheran Church, Laureldale, Pa.

Reverie

Last year the new yearbook staff decided that the 1968 REVERIE would be significantly different and better than any previous yearbook. We feel that our goal has been reached. Not only is this edition of REVERIE longer and more complete, but it is also being finished earlier so that for the first time it may be distributed in June.

The staff knows that these goals could not have been reached without the supervision of Mr. Achenbach, the diligence of the editors, and the staff's contributions. We wish to thank members of the photography club who took pictures for us, and especially Mr. Baer who developed many urgently needed pictures.

Tiger Talk

Our school newspaper is relatively new but not inexpertly written. The newsgatherers and coordinators of this organization have succeeded in summarizing the activities and events during the 1967-68 school year in a narrative account, which is enjoyable and entertaining to all its readers.

The officers of Tiger Talk include Ann Balliet and Diane Derr, co-editors, and Gail Sanders, business manager.

FTA

The Future Teacher's Club was designed to provide some of the basic concepts of the teaching profession to its members. With the advice of Mr. Davis and the cooperation of the rest of the faculty, the members are able to sample first-hand the real duties and activities of a teacher. The members occasionally fill in for the elementary teachers when the need arises. Throughout the year planned programs, projects, and activities are carried out, such as the cataloging of the books in the Claussville one-room school shrine. The highlight of the FTA year was the Annual Round Table Discussion which provided prospective college freshmen with an insight into college life.

FNA

Every other Tuesday a group of girls gathers in the health room to discuss and learn more about practical nursing.

This year, the group again sponsored the Thanksgiving Day boxes for needy families. A "Roller Rama" was sponsored in November, and they went on two field trips.

The officers of this organization are: President, Bonnie Hamm; Vice President, Becky Kindred; Secretary, Terri Kunkel; and Treasurer, Annette Scheffler.

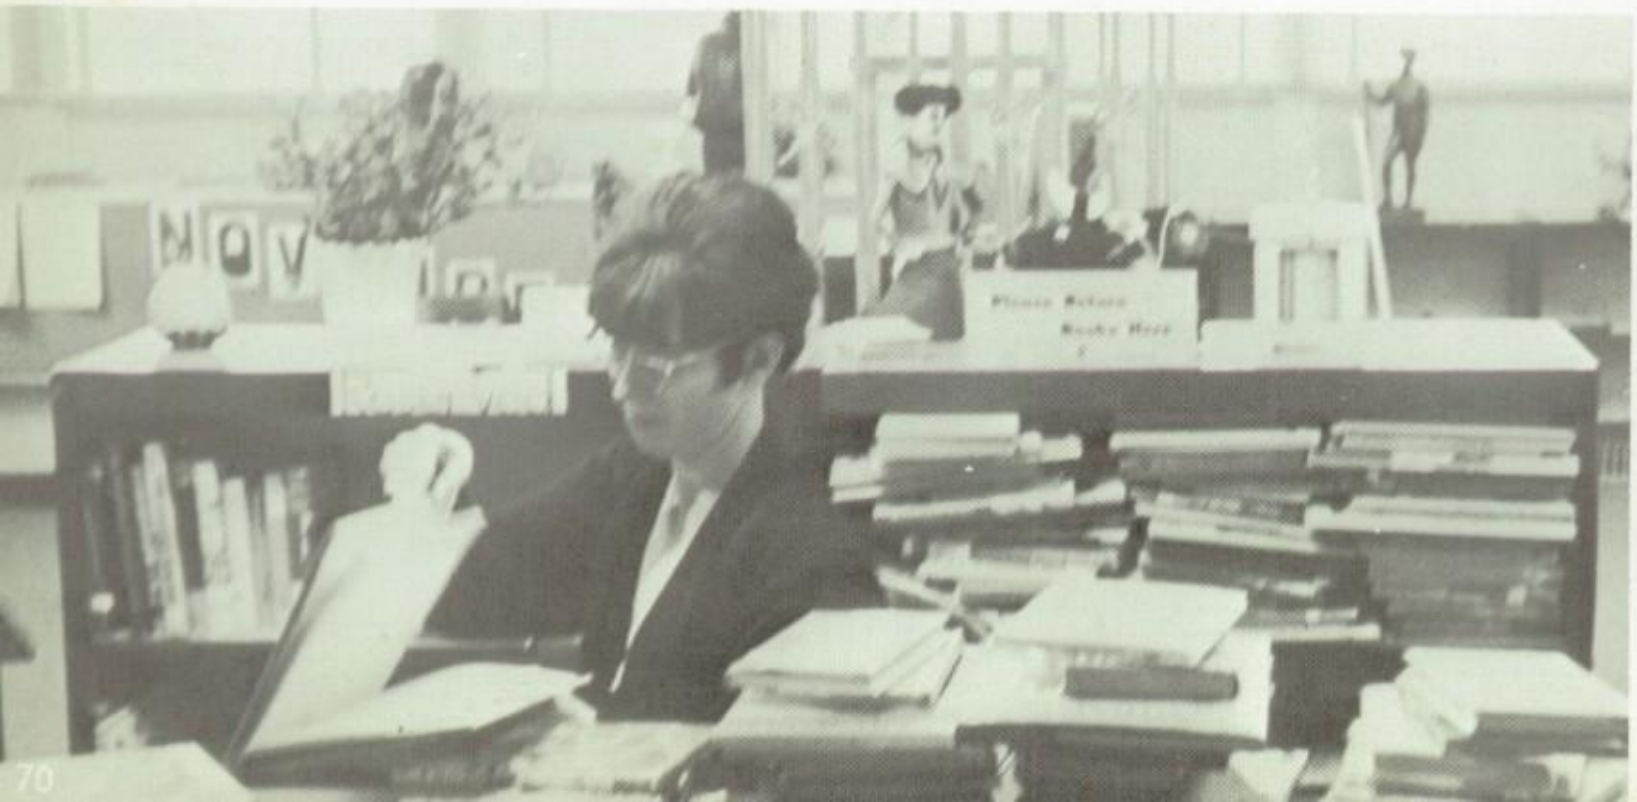
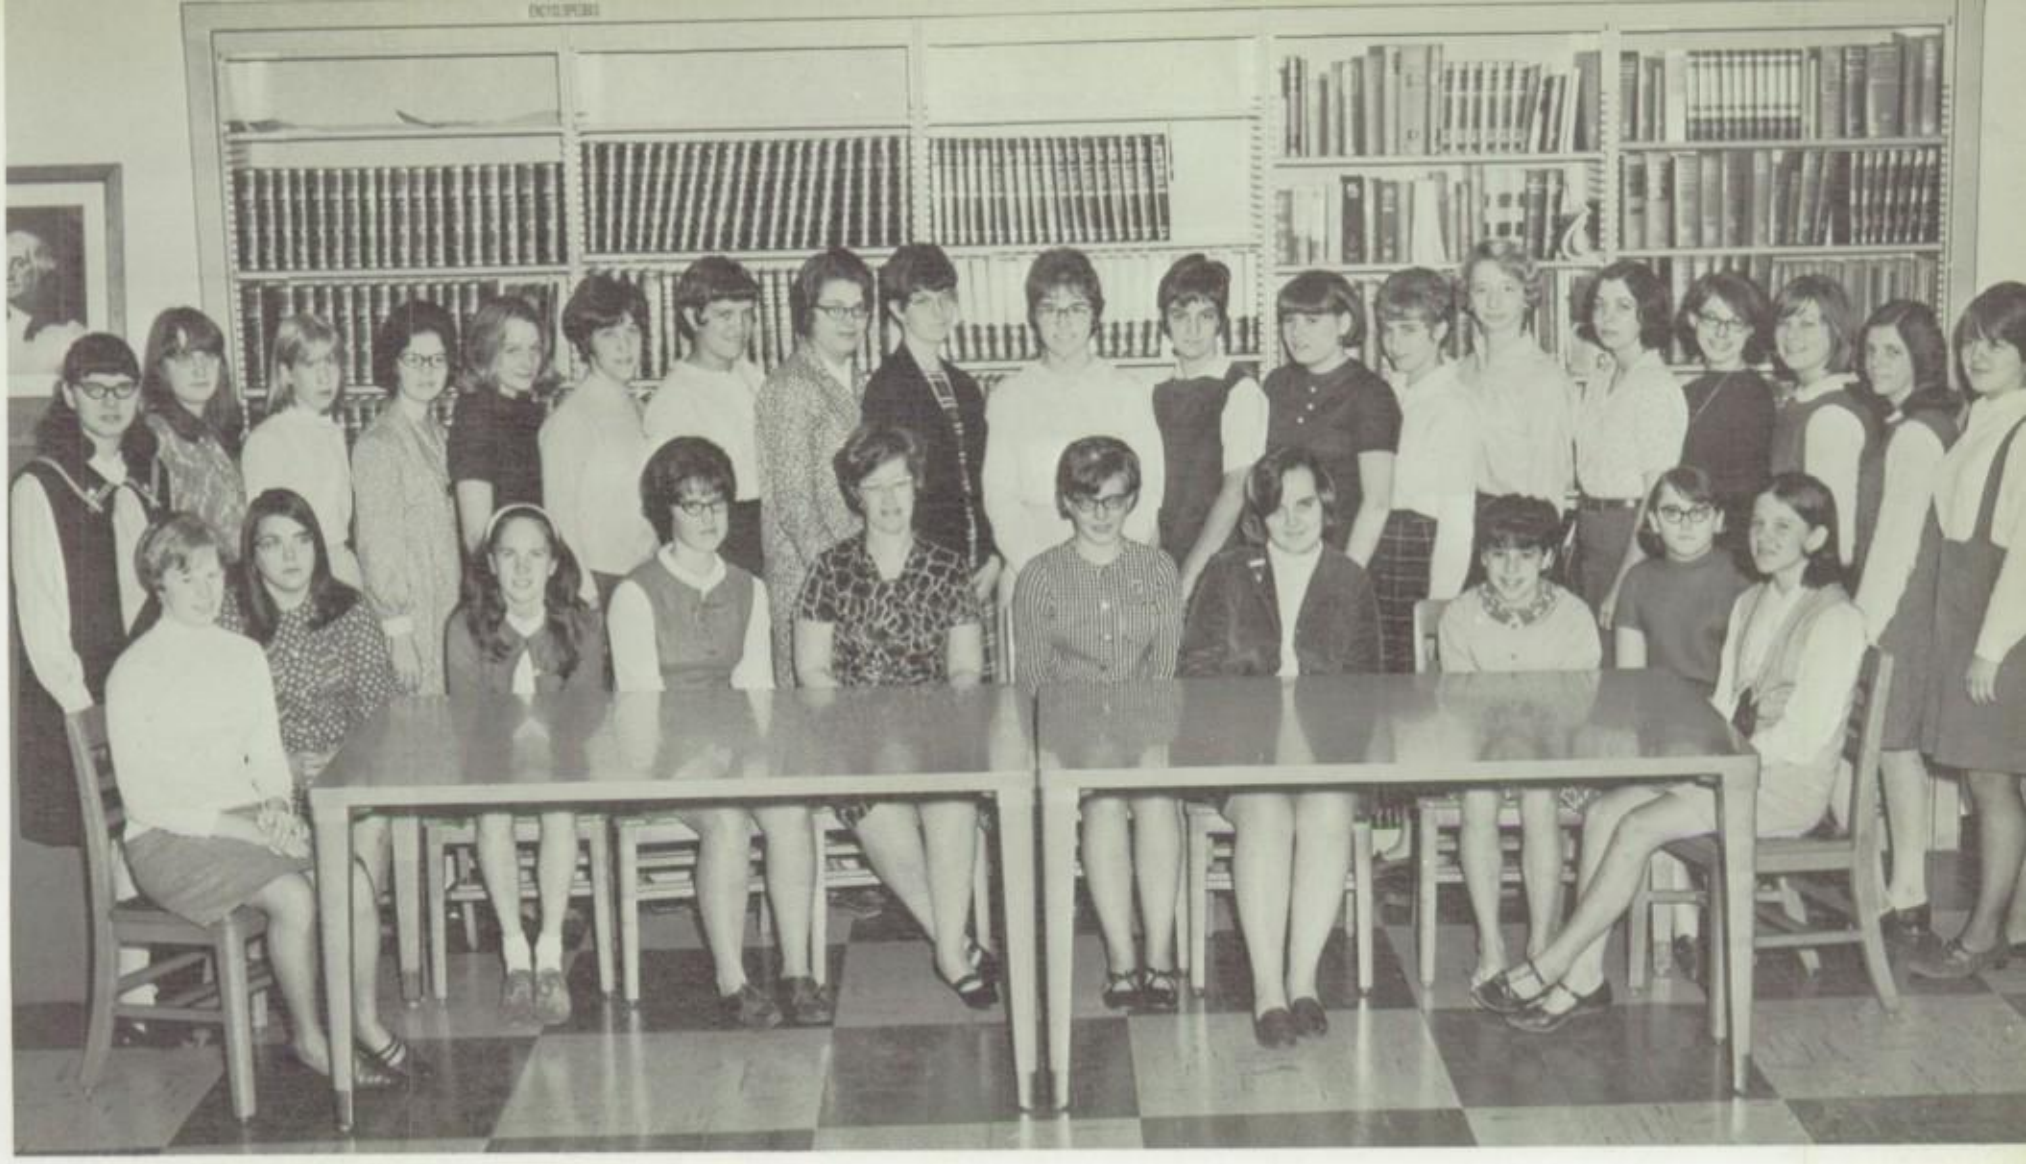
A group of girls that are much in demand, the Girl's Service Club aids elementary teachers in physical education and does secretarial work for high school teachers. Mrs. Knerr, the advisor of the group, has helped these girls by giving them added responsibility and experience for the future.





Sr.

Library Clubs

Filing books, stamping dates, writing overdue notices, and learning the duties of a librarian are only a few of the jobs done by this group under the advice of Mrs. Moschini. They aid her in keeping the library shelves neat and keeping books in their proper places.

Projectionist Club

In 1966, when the Projectionist Club originated, the membership was small but the enthusiasm was great. Now in its third year, the Projectionist Club has become a prominent organization in our school. The members are now so experienced that they can be depended upon at any time to help teachers in the preparation of movie presentation. This club is under the direction of Mr. Frantz.

Need a picture taken? Click! Here's the group that can take it for you. Through the efforts of Mr. Baer and Mr. Reppert, who unselfishly contribute their time and knowledge of photography, and the enthusiastic participation of the members, a pictorial account of this year's activities was kept.

This group has taken pictures for REVERIE, for the Conservation Laboratory, and other special events this past year.

Jr. Art Club

Northwestern's Picassos and frustrated finger painters gather to make the most of their individual talents. Mrs. Miles has encouraged and guided them. Throughout all this activity she has maintained her good sense of humor.

The Art Clubs can be relied on for posters for that big dance, special game, or election. They also provide much of the material for the spring open house.

This year, for the first time, participation in the Art Clubs has been so great that half-sessions have been improvised to accommodate each member.

Future Farmers Of America

This was another active year for Northwestern's Future Farmers. The club put special emphasis on soil conservation by planting over 6000 pine trees, and by presenting two TV programs, an exhibit and a demonstration on conservation in Harrisburg. The highlight of their activities was the presentation of the Keystone Farmer Degree to F. F. A. President Barry Harter by the Future Farmers of America at the annual F. F. A. convention in Harrisburg.

The officers of F. F. A. include: Barry Harter, President; David Fink, Vice-president; James Kindred, Secretary; and Larry Wisser, Treasurer.

Conservationist Club

A new club was formed for the purpose of creating a sanctuary and feeding ground for wildlife at our school. Mr. Byler and his 7th and 8th grade members have started their program by clearing brush, planting trees, and marking trails. They anticipate that their hard work will result in a conservation laboratory in which students and teachers can study plant and animal life in their natural habitats.

Junior Science

Conservation and appreciation of bird life is the theme of Junior Science Club. Its members have studied the identification, feeding, habits, and nesting of birds during their trips to Hawk Mountain and Washington Crossing Park this year. The club hopes to establish a bluebird trail in N. H. S. district, a series of homes used to attract bluebirds, and conservation feeders.

The officers of Junior Science Club are President, David Drummer; Vice-President, Robert Leiby; Secretary, Marlene Zettlemoyer; and Treasurer, Linda Shearer.

Band

"Right turn, march!" Commands, whistles, and drum cadences filled the air earlier this year as our band participated in eight Halloween parades and the Allentown Veterans' Day Parade. N. H. S. won a trophy while placing second in a competitive parade at Northampton on October 26. The band also marched during the halftimes of our football games, both home and away.

During intermissions of home basketball games, the majorettes and color guards presented precision routines to the music of the band.

Under the dedicated direction of Mr. Mantz, the band presented their annual Spring Concert on May 3.

County Band

This year 150 musicians were selected from the eleven high schools in Lehigh County to present the eleventh annual County Band Concert.

The concert was presented on January 27 at Emmaus High School, where the first Lehigh County Band Festival was held in 1958.

N. H. S. was honored to have Keith Reitz, Darryl Hamm, Richard Kuhns, Richard Hausman, Barry Fritzinger, and Ronald Kistler chosen to represent our school in this year's County Band.

District Band

For the second consecutive year, Keith Reitz was chosen to represent N. H. S. at the Eastern District Band Festival. This year the concerts were presented by the 170-member band at Schuykill Valley H. S., Leesport, Pa., on February 16 and 17. It was an honor to have Keith chosen to participate in this year's District Festival.

District Chorus

This year the Eastern District Chorus Festival was held at Conrad Weiser H. S. in Robesonia, Pa., on February 9 and 10.

The 150 Selected chorus members were directed by Mr. George Gilbert, Music Director at the East Orange H. S. in East Orange, N. J.

We were proud to have Sherwood Zettlemoyer selected again to represent N. H. S. in this Chorus Festival.

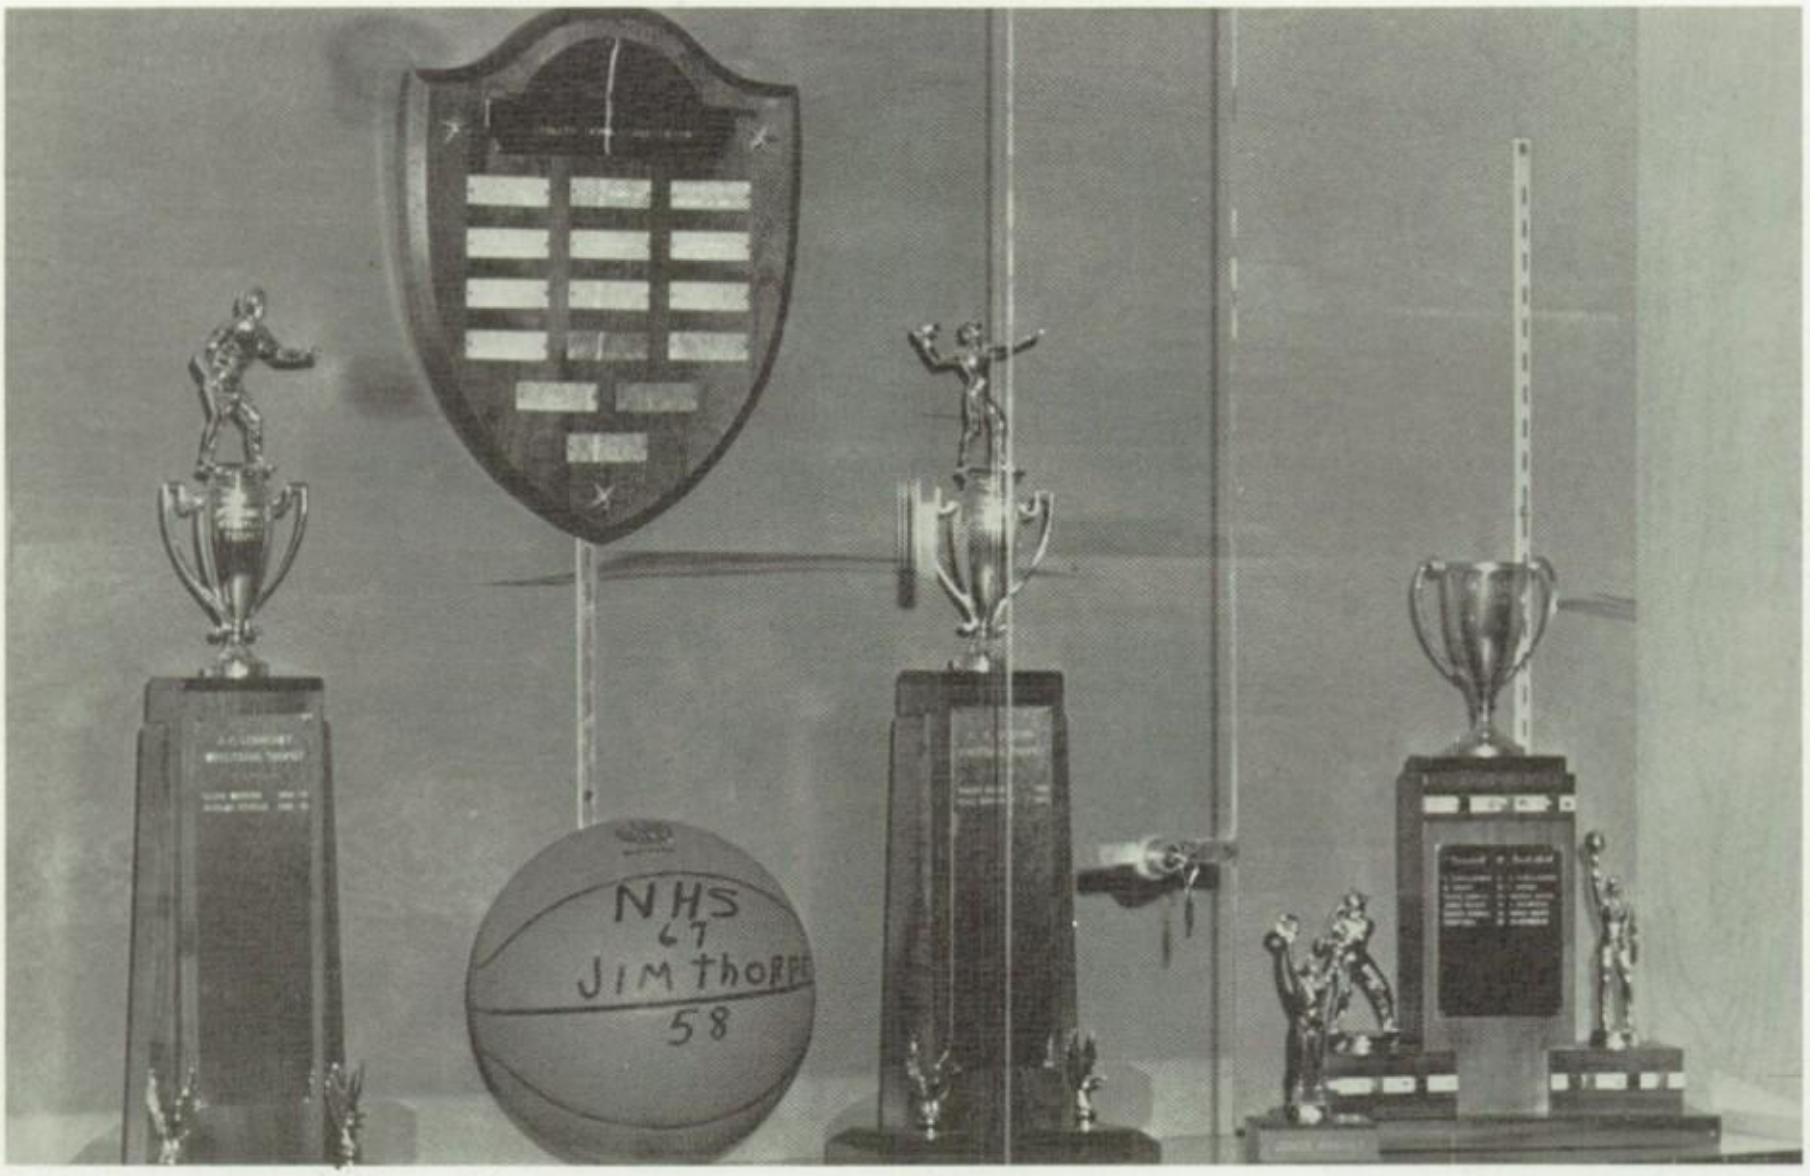
Junior Chorus

These two choruses, under the direction of Mrs. Soldridge, have increased their membership and their repertoire of music.

Senior chorus, composed of students in grades 9 through 12, has performed well at several school programs. The officers are: President, Sherwood Zettlemoyer; Secretaries, Doris Phillips and Gayle Emmick; and Treasurer, Linda Snyder.

The 7th and 8th graders of the junior chorus, through their regular rehearsals, have overcome many of the vocal difficulties common to their age group. The officers are: President, Suzanne Lenhart; Vice President, Michele Steigerwalt; and Secretaries, Linda Gehringer and Barbara Dymond.

The choruses sponsored a dance, "Battle of the Bands", in November. At Christmas, they made a tape for radio station WSAN and sang Christmas carols at the Whitehall Mall. On May 17, they presented the Spring Concert, featuring songs from "The Music Man."



ATHLETICS

Varsity Football

The Tigers' 1967 season was the first year of complete varsity and junior varsity schedules. The team recorded its first varsity victory since football was introduced in N. H. S. four years ago. On September 16, 1967, the Tigers overpowered visiting Shenandoah Catholic, 34-12.

Guiding our team this season was our enthusiastic coach, Mr. Morgan. Helpful pointers were given to the players by the assistants, Mr. Loy and Mr. Stoudt.

Despite the disappointing 1-7 record, the team had a few close games including 18-12 and 13-12 losses to Pleasant Valley and Marian Catholic respectively.

Losing only four senior starters from the team, Mr. Morgan expects to turn next year's rematches into a winning season.

Northwestern Erases Dry Spell, 34-13

Northwestern scored the first football victory in its history with a 34-13 crushing of visiting Shenandoah Catholic. The Tigers, after losing nine straight in three years of varsity action, were not to be denied as 320

Junior Varsity Football

For the first season, underclassmen had a chance to mix-it-up on their own, with bruising blocks, crushing tackles, and deceptive pass patterns. The Little Tigers, under the direction of Mr. Loy competed in a five game J. V. schedule. Despite their 0-5 record, the experiences they learned will be invaluable to them as future varsity players.

Varsity Basketball

L. BACHMAN

This year the Varsity Basketball team was directed by its new coach Mr. Thompson. Finishing the regular season with 6 victories, the team will face Schuylkill Haven on March 1, 1968 for the District XI, Class C title. Led by Captain Gary Stoudt, the team also thrilled the fans with several heart breaking losses.

With a season of experience under their belts, the starting five will return next season. We hope their early experience will lead to a successful future of basketball at N. H. S.

R. HAUSMAN

Junior Varsity Basketball

Led by co-captains, Tim Kunkel and Donald Fritzinger, the junior varsity basketball team won four of their games this season. The team was coached this year by newcomer Mr. Robert Schaeffer. The ultimate goal of a junior varsity team is to produce better and more experienced varsity players.

Junior High Basketball

A good way to become successful is to acquire all the experience possible at the earliest age. This theory has been applied at N. H. S. by the formation of a junior high basketball team. Under the coaching of Mr. James Fenstermacher and Mr. Roger Stern, the team compiled a 2-11 record. May this early practice and experience prove profitable for them as future junior varsity players.

Wrestling

The success of the '67-'68 wrestling team cannot be measured by its disappointing 1-13 record. The percentage of individual bout victories is more indicative of the team's performance.

Under the dedicated coaching of Mr. Civitts and Mr. Horvath the wrestlers developed physical strength, mental attitudes, and self-dicipline.

For the first time since wrestling was introduced four years ago, our team participated in a holiday tournament. The team returned from the North Schuylkill Holiday Tournament with three 2nd place winners and one 1st place winner.

Lee McCullough, our 91 lb. freshman, represented N. H. S. as far as the Quarter Finals for the District XI Championships. Lee compiled a 11-5-1 record in his first year on the team.

Influential in the team's organization were the managers Marie Kunkel and Debra Pollock. In the picture from left to right are seniors T. Kunkel, T. McCullough, G. Zimmerman, A. Wisser, D. Phillips, and P. Witmer.
